

REMARKS/ARGUMENTS

Applicants greatly appreciate the indication of allowability for Claims 23-25, to which the claims have been limited. The term "tris(2,4-di-t-butyl-phenyl)phosphate" in, e.g., Claims 24 and 25 has been corrected to "tris(2,4-di-t-butyl-phenyl)phosphite." This amendment addresses the rejection presented under 35 U.S.C. 112. Support for the amendment is found at specification page 5, lines 8-9. No new matter has been entered.

An early Notice of Allowance is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
